Special thanks to the CI Compass Communication team!

Christina Clark and Angie Hubert
University of Notre Dame

Funded by the National Science Foundation, Grant #2127548

Thank you to Alex Olshansky, Whova Master!

Alex is getting his PhD in Media and Communication at Texas Tech University.

He is particularly interested in science communication and public understanding of science.

His dissertation is titled *Conspiracy processing and diffusion model: The role of emotion in conspiracy uptake and diffusion.*

Funded by the National Science Foundation, Grant #2127548

Post-workshop activities/materials

Post-workshop Survey - We value your feedback about the workshop. The survey is anonymous

Webinar 4/4/2022

Report from the workshop

Pictures from the workshop

All presentation video and slides will be available on the CI Compass website http://ci-compass.org
